"We were finding it was taking anywhere from 60 minutes to 72 hours to complete a medication prior authorization. Now, in 13 seconds or less we know if a prior authorization is required and what question set needs to be completed."
Patrick McGill, M.D.
Medical Director of Physician Informatics

WITH THESE TWO INTUITIVE SOLUTIONS, WE HAVE A JUST-RIGHT FIT FOR YOU.

CompletEPA®

YOU NEED ACTIONABLE PATIENT INTELLIGENCE AT THE POINT OF CARE.

So we developed CompletEPA, an EHR-integrated, real-time electronic prior authorization solution.

CompletEPA is a win-win-win. Clinicians get a response while the patient is still in the office, pharmacists get prescriptions they can dispense and patients get their medications right away.
